### **Bhagwati High School to Bhagirath Waterfall Eco-Tour**

The ravishing delightful Nature drenched in the showers of 'Shravan' inspires everyone to move out of the cement jungle to witness pleasant greenery, running water streams, jumping water falls and dancing and singing birds. With a view to enjoy this 'Anandiyara' of Nature, Hariyali has arranged an eco-tour to Bhagirath waterfall at Wangni at the foothold of Matheran hills. Any person over 7 years ready to walk a little can participate in this tour.

The tour will start from Bhagwati High School at 7 a.m on Sunday, 26<sup>th</sup> August 2012 in two mini-buses and return at the same place by 7 p.m. after a full day program at Wangni. Arrangements have been made for tea, breakfast, lunch, etc. at a farm house at Wangni, which is only 1 km. from the ' Bhagirath' water fall.
